

London 2025

16th June – 18th June 2025

Curriculum Travel

These tours come under our Curriculum Travel brand – which is our fastest growing area based on personal recommendations.

Our attention to detail in planning school tours is second to none. Your tour will be administered by the same person from start to finish for peace of mind and that member of the team is a specialist in primary and middle school tours only and understands the extra information and help needed when planning trips for this age range.

All members of the team are dedicated in crafting the perfect, stress-free tour for you, whilst creating memories to last a lifetime.

Experience

We are blessed that we have staff that have been with the company for many, many years. This experience not only ensures they have knowledge of how to operate a well organised tour – but that they have, in many cases, had personal experience of staying at the properties on offer, which gives a fabulous insight into not only the accommodation but also the surrounding areas. This has proven invaluable when considering meals, room layouts, visits and nearby amenities.

The majority of our team assists with youth activities outside of work, requiring additional Safeguarding of Children and Emergency First Aid training.

What next...

- If you have paid a deposit, but no longer want to attend, you can request your deposit back via email to: **mic-advice@rainbowacademy.org.uk**.
- If you have yet to pay a deposit and want to secure a spot, pay the deposit by October 28th. We potentially have a total of 40 spaces available on a first come, first serve basis.
- Payments on Parent Pay can be set up as a reducing amount that you can add to however and whenever you're able, as long as we receive the correct amount by the payment window.
- The year 6 team will be in touch later in the year to discuss the trip further.
- We have access to an external Navy subsidy from Naval Children's Charity. Mr Medlin will be in touch with these families to discuss further.
- Please note that any changes to numbers will impact the cost per child.
