

## Enquiry Question: What can you see at the Coast?

### Vocabulary

<b>Beach</b>	A flat area of land usually covered in sand.
<b>Sea</b>	A large body of water often near land and smaller than an ocean.
<b>Cliff</b>	A high, steep wall of rock.
<b>Coastline</b>	Where the land meets the sea.
<b>Harbour</b>	A safe place where ships and boats can shelter from the sea.
<b>Pier</b>	A structure built over water.
<b>Lighthouse</b>	A tall tower with a bright light to help ships stay safe.

### Human Features

Harbour

Pier

Lighthouse house

### Physical Features

Beach

Cliff

Coastline

Sea

What will our local coastline look like in ten years?

The world would be a better place if everyone looked after our Cornish coast.
