

Year 2

Spring 1

Florence Nightingale

| Self Motivated | Healthy | Imagine and Create | Nurture | Exciting |
|--|---|--|---|--|
| We will be brave and stay positive when faced with new learning. | Recognise that keeping healthy and safe applies to all aspects of our lives including the how we interact with our friends. | Use our imaginations to create our own fantasy mini-beast art. | We will consider the qualities we need to shine as the new year begins. | We will explore our past and look at the significant people who have impacted our lives. |

As mathematicians we will:

Finish our work on shape before moving onto money. We will also work with multiplication and division by focusing on our stem sentences and use of appropriate manipulatives and representations. After this we will look at different measures.

As writers we will:

Develop our genre knowledge further by identifying the features of, and writing, letters and newspaper reports. We will use a letter from Florence Nightingale to inspire letter writing as well as 'Fantastically Great Women Who Changed the World.'

As readers we will:

Develop our vocabulary knowledge with the use of thesauruses as well as making inferences from a text. We will be working hard on developing our written comprehension skills in guided reading lessons before applying this skill to independent work.

As scientists we will:

We will be learning about animals including humans. During this topic, we will be investigating the benefits of exercise, understanding the difference between wants and needs for survival and learning about offspring.

RE

As theologians we will:

We will explore the Muslim religion by identifying who is Muslim and how they live.

History

As historians we will:

We will be recounting the life of a significant person from history. Use a range of resources to describe differences and timelines to order events.

Geography

As geographers we will:

None this half term.

Art

As artists we will:

Making use of drawing tools to investigate line, light and shadow to produce a fantasy mini-beast piece.

Computing

As programmers we will:

Focus on the use of spreadsheets and the specific vocabulary used when using them.

DT

As designers we will:

None this half term

Music

As musicians we will:

Be exploring pitch through music linked to our natural environment.

PE

As athletes we will:

Creating and performing short dance routines based on the theme of pets.
