

Year: 4

Term: Autumn 1

Italy

Well-being	Exciting	Creative	Active	Nurture
How can staying fit and healthy impact our feelings and emotions?	Making our own pizzas!	Creating artwork using inspiration from a famous artist.	Using the outdoor areas to create electrical circuits.	We will consider the qualities we need to nurture to shine as the new academic year begins

As mathematicians we will:

Learn about the place values of numbers up to 4 digits, including rounding and Roman Numerals.

Continue to add, subtract, multiply and divide numbers up to 4 digits including problem solving.

Explore perimeter of rectilinear shapes.

As writers we will:

Exploring some key texts for example, The Firework Maker's Daughter and Escape From Pompeii, which link to our Italian and geographical themes.

We will be writing to entertain this term and will focus on: character/setting descriptions, play scripts and poetry.

As readers we will:

Developing our skills in predicting what may happen, retrieving facts, summarising key information and using inference to understand characters thoughts, emotions and feelings.

As scientists we will:

Identify common appliances, construct simple series circuits, recognise common conductors and insulators and identify whether or not a lamp will light in a simple series circuit.

RE

Explore the question:

What do Hindus believe God is like?

History

As historians we will:

N/A this half term

Geography

As geographers we will:

Locating countries and relevant places on the map.

Compare geographical features between Italy and the UK.

Art

As artists we will:

Learn about the artist Hundertwasser and explore line, pattern and textures on a variety of media.

Computing

As programmers we will:

Learning about how to stay safe online and begin to understand coding.

DT

Using our Science knowledge on electrical circuits to research, design and make a buzzer game.

Music

Explore music from around the world., including traditional Italian songs.

PE

Commence with invasion tactics for Netball.
