

Eco-Schools Action Plan 2021-2022

<p>Eco-Schools Topic 1 School and Local Grounds</p>	<p>Action(s):</p> <ol style="list-style-type: none"> 1. Plant donated trees in the school grounds. 2. Eco-committee to continue this by planting trees in King George's Memorial Gardens. 3. Children to plant wildflowers in the new dug out beds for wildlife. 4. Eco-committee to help create bug hotels in the gardens. 	<p>How long will it take? All actions completed by the end of Spring Term 2.</p>	<p>How will we monitor progress? Photographs at the start and in the Summer term to look at the progress. Photos of the bug hotels.</p>
<p>Aim: To make the school and local community more attractive and wildlife friendly.</p>		<p>Who is responsible? Eco-committee with some additional helpers. Children to share what they achieved in assembly to give all children the ownership. Eco-Coordinators to liaise with local council.</p>	<p>Evaluation: Trees planted in the Autumn Term and bug hotels created. See photos.</p>
<p>Eco-Schools Topic 2 Litter</p>	<p>Action(s):</p> <ol style="list-style-type: none"> 1. Register for the school to take part in the Great Big School Clean starting in March. 2. Whole school anti-litter poster competition to display in school. Winners shared in school newsletter so raise awareness to parents. 	<p>How long will it take? Great Big School Clean in March. Poster campaign launched in January. Posters displayed February.</p>	<p>How will we monitor progress? Weigh the rubbish collected. Count the entries to the poster competition.</p>
<p>Aim: Reduce litter in our school community.</p>		<p>Who is responsible? Eco-committee choosing the winners for the poster campaign. Eco-coordinator scheduling litter picks. Class teachers supervising.</p>	<p>Evaluation:</p>
<p>Eco-Schools Topic 3 Waste</p>	<p>Action(s):</p> <ol style="list-style-type: none"> 1. Identify one single-use plastic to ban in school. 2. Eco-coordinator to look into how we can improve the recycling at school. 3. Eco-committee to hold a school assembly on recycling. 4. Recycling tips added to the newsletter. 	<p>How long will it take? Single-use plastic identified in Spring 1 to coincide with New Year. Tips in the newsletter throughout the Year. Investigate possible recycling bins.</p>	<p>How will we monitor progress? Single-use plastic audit. Recycling surveys carried out in class by the Eco-committee.</p>
<p>Aim: Reduce waste and encourage recycling.</p>		<p>Who is responsible? Eco-coordinator to research bins. Eco-committee to decide on single-use plastic after research.</p>	<p>Evaluation:</p>
