## **Summary of Spending 2016/17**

### **Statement of Intent:**

To improve the quality and breadth of PE and Sports Provision, including increasing participation in PE and sport so that all children develop healthy lifestyles and reach the performance levels they are capable of.

### **Ambitions:**

1. To embed Wake and shake, increase Fitness levels and skills across the school
2. To ensure that all pupils have access to a broad, inclusive and progressive PE curriculum
3. To buy and purchase purposeful sport equipment
4. Promote outside clubs
5. Increase cross country participation
6. To improve pupil participation within an enhanced, extended and inclusive extra-curricular programme
7. To ensure that young people benefit of health related benefits of engaging regularly in sustained physical activity.

### **Outcomes to date:**

Employing Acorn leisure and Kernow sports to deliver high quality sports

Playground equipment and sports equipment purchased

Invitations from outside clubs to attend assembly's to promote different clubs.

Increased inter house competition: Football, rugby, infant/junior games, cross country

Sports tracker, working document that all staff can access and update.

A full programme of enrichment clubs offered to all children

Healthy week promoting healthy living. Including infant/sport games and a walking bus

Silver award – Sainsbury active mark

Embedding 5-a-day within all classes

## Impact of Funding for Academic year 2016-2017

The profile of PE has been increased across the MAT which promotes the benefits of physical activities for pupils and move them towards a healthy, active lifestyle. This has been achieved by using notice boards being used, more information on newsletters and websites and pupils being involved in more competition.

Employing Kernow sports to help deliver a broad, enriched PE curriculum.

Enrichment clubs providing a variety of sports clubs to all children from 1-6 to access.

Part of the school cluster groups, sharing of CPD and allowing children to participate in inter house competitions across the cluster.

Sports tracker ensures that children who are not accessing PE are targeted and participate.
