

# Coverage of Geographical Concepts

## Year 1

### The UK and its Weather

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Our School and Its Environment

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### The Poles and the Equator

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Australia and the UK

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

## Year 2

### Map work and Landmarks

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### UK Seaside and Tropical Islands

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### UK Seaside and Tropical Islands

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

# Coverage of Geographical Concepts

## Year 3

### Volcanos and Earthquakes

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Polar Regions

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Local Study Cornwall

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

## Year 4

### Italy

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Fair Trade

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Rivers and Coasts

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

## Year 5

### North America

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### Settlements

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

### UK and North America Geography

Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
-------	-------	-------	-----------------	------------------------------	--	----------------------------------

Year 6						
Amazing Earth						
Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
South America						
Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
Migration						
Space	Place	Scale	Interconnection	Physical and Human Processes	Environmental Impact and Sustainable Development	Cultural Awareness and Diversity
