

## Foundation Stage Newsletter September 2022

### Our first topic

This half term our topic will be 'The world and me'. The children will be learning about their local environment and thinking about what makes them special. This will be the starting point for learning across the curriculum. We will also be getting to know each other and establishing classroom routines and behaviour. We will then develop our topic based on your children's interests.

### Parents Meetings

If you have not yet booked up for a home visit and would like one we still have some availability next week in the afternoons.

Please add your name to the chart on the door of the Reception classroom.

### Welly Wednesday

Every Wednesday we go up to the woods for an outdoor learning session, whatever the weather! Could you please ensure your child has a warm coat and wellies so that they are comfortable and able to take part in all the exciting activities.

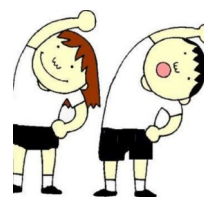

### Spare clothes

Could you please provide a spare pair of pants and socks in your child's bag in case of any accidents and replace when used.

Could you also ensure that all clothes are labelled clearly, including shoes!

### P.E kit

We will be doing P.E on a Friday morning. On this day children may come into school in their P.E. kit and will stay in them all day. We will start our P.E. sessions on Friday 23rd September.

### Open door

If you have any concerns or queries about your child, however big or small, then please email the school on [stmichaels.advice@celticcross.education](mailto:stmichaels.advice@celticcross.education) and we will arrange a meeting with you to chat about any questions.

### Helping your child to read

In a few weeks, when your child is settled into school, they will have their first reading book.

Later this term a zoom video link will be sent to you which will explain how we teach reading at school and how you can help at home.
