PARENT FORUM

MONDAY 6TH November 2017 No 17

The Parent Forum is an opportunity for parents and carers to meet once a term to discuss school-related issues.

Regular, open communication and consultation with parents is important to the school. The Parent Forum provides a valuable way to listen to your ideas and concerns and seek your views, helping to make sure the needs of children and their families are met. Meetings are led by the Head of School and/or Assistant Head Teacher. Meetings are informal and provide a genuine opportunity for open discussion

Parent View is an online questionnaire for parents and carers to share their views about their child's school with Ofsted. It was launched in October 2011. Since January 2012, Ofsted has used the information collected through the questionnaire to make decisions about which schools to inspect and when. Inspectors look at Parent View results alongside the traditional paper-based school questionnaires at the point of inspection.
