# New for 2024!

## The digital reading diary that grows with your child

Using BoomReader means no log is ever lost or wasted. Your child's record builds over time and provides a full, meaningful picture of their reading all the way through school.

### Never forgotten

You child's Reading diary will never be left at home on the busy school run!

### Never lost

No damaged or ruined reading diaries - and of course the valuable information is never lost!

### Always available

Every parent or carer can access the diary at any time. No more asking: 'Has anyone seen the diary?'

### Mobile Access

It's easy to see all reading for your children in one place - no more searching for separate diaries.

# Reading at Home

It is expected that your child should read for **20 minutes** every day. This might be part of a book/a chapter and could also encompass you sharing a book on some days.

## HERE'S THE IMPACT OF READING 20 MINUTES PER DAY!

A student who reads

20:00

minutes per day

will be exposed to  
**1.8 MILLION**  
words per year  
and scores in  
**90th PERCENTILE**  
on standardized tests

A student who reads

5:00

minutes per day

will be exposed to  
**282,000**  
words per year  
and scores in  
**50th PERCENTILE**  
on standardized tests

A student who reads

1:00

minute per day

will be exposed to  
**8,000**  
words per year  
and scores in  
**10th PERCENTILE**  
on standardized tests

# Reading at Home KS2

## What reading looks like

We're teaching every child to read with Little Wandle Letters and Sounds Revised  
A complete SSP validated by the Department for Education

Little Wandle  
Fluency

**Rapid Catch-Up Programme:** for children that have not completed the KS1 phonics programme. 2.5 x weekly phonics lessons + 2.5 x weekly reading practice lessons. Books go home at the end of each week, to be read at home the following week.

**Fluency Programme:** for children that have completed the KS1 phonics programme.

2 – 3 x weekly reading practice sessions, using the fluency chapter books. Books go home every fortnight, to be read at home for the following fortnight. 1 chapter 3 x week.

**Star**  
Reading

**Accelerated**  
Reader

**Renaissance**  
Accelerated Reader Bookfinder

Look up books yourself at home, to see if they fall within your child's ZPD level.

Your child is assessed at least once a term using Star Reader.

In the test, they answer comprehension-based questions, which get progressively more challenging.

Their score gives them a reading zone (ZPD). This is matched to their word reading and comprehension ability.

Your child is encouraged to quiz on each book, after they have read it. They can do this at home, or in school.

They can then record what they enjoyed about the book on BoomReader!

# The School Libraries

---

We are very fortunate to have two wonderful library spaces at St Michael's, as well as a multitude of book spaces spread across both key stages. These are being constantly updated with new and exciting texts. We encourage our children to borrow books from these areas to share at home.

Please take the time to read to your child. The impact is priceless.

# Spellings

Y5 follow Spelling Shed.

This is a new scheme that we are trialling.

Homework will be rolled out during Autumn 2

Week 1 WB 5.6.23 Statutory spelling words	Week 2 WB 12.6.23 Words with the suffix 'ous'	Week 3 WB 19/6/23 Re-capping words that begin with prefixes	Week 4 WB 26.6.23 Re-capping words that begin with prefixes	Week 5 WB 3.7.23 Adding the suffix 'ly' to words ending in -y, -lt, and -ic	Week 6 WB 10.7.23 Statutory spelling words

# Maths

At St Michael's we understand the importance of fluency and how a strong grasp of number and times table knowledge can support the working memory.

In EYFS and KS1, children will be engaging with Mastering Number daily fluency sessions and there will be more information regarding this and how you can support this at home as the year progresses.

The tool we use for practicing our understanding of number and tables knowledge in KS2 is **Time Table Rock Stars**. Below you will find links to instructions on how to access and use.

KS2 children will also be accessing Mastering Number sessions this year.

The children's teacher will provide the log in details

# Mobile Phones Y5/6

- Children who walk to and from school without an accompanying adult may carry a mobile phone for safety which will be stored in the school office.
- Mobile phones deposited in the office by children will be kept safely in a locked cupboard. Whilst the school will take every reasonable care, it accepts no responsibility whatsoever for theft, loss or damage.
- It is the responsibility of parents and carers to ensure mobile phones are properly insured. It is recommended that phones are security marked and password protected.
- Children are not allowed to bring mobile phones into any other areas of the school. Any mobile phones discovered to have been brought into the school and not handed in to the office will be confiscated immediately. Parents or carers will be asked to collect the phone from the office.
- Children are not allowed to carry mobile phones on any school trips.
- If a member of the staff has any suspicion that a mobile phone brought into school by a pupil has unsuitable material stored on it, the pupil will be required to hand over the phone immediately to a member of staff and parents or carers will be asked to collect it from a member of the senior leadership team.

Thank You
